C#m G#m

You, oh Lord, have been for me

A comfort in my suffering.

Even if there's tragedy, You're there.

C#m G#m

In my mother's womb my life began

C#m A2

And from You I was not hidden

C#m G#m A2

Even since then You have been my God.

E B A2

I will raise my hands up to Your throne

E B A2

I will lay my life down at Your feet

E B C#m B

I will sing "Hallelujah" to You

You're coming again for me

C#m G#m

I come before You on my knees

C#m A2

My life an offering, Lord

C#m G#m A2

Do with me as you please, I pray
